# 10 CR<sup>+</sup> AUM

# FROM THE DIRECTOR'S DESK

Dear Readers,

As we delve into this special edition of Josh, themed "Women of Swastika," I am filled with immense pride and gratitude for the journey we have embarked upon together since the inception of Swastika. Much like a parent nurtures and guides their child towards a bright future, I have always approached Swastika with the same level of care and dedication. Along this journey, there have been tough decisions made, much like those made for the well-being of a child, all in pursuit of ensuring Swastika's prosperity and success.

One of Swastika's greatest strengths is its inclusive environment. We celebrate diversity and empower all our team members, regardless of religion or gender. This has led to a strong contribution from our talented women throughout our journey.

Swastika is a young and vibrant organization. The majority of our team falls within the 25-45 age bracket, which fills me with immense energy. I'm passionate about supporting them, sharing my experience and knowledge, and learning from their fresh perspectives and technological expertise.

“ Living a life filled with joy is something I truly value. Every task I undertake is fuelled by passion. ”

Best Wishes,

Anita Nyati

WHOLE-TIME DIRECTOR

## Words of Wisdom for Our Team

- **Dedication is key:** Whatever your role, approach it with dedication and strive for excellence.
- **Work-Life Balance:** Maintaining a healthy balance between your professional and personal lives is crucial.
- **Embrace Happiness:** Find joy in your work and live your life with enthusiasm.

Together, let's continue on this incredible journey, making Swastika a beacon of success and inclusivity.

# EDITORIAL

“ Hardworking women create their destinies with every step they take and every dream they chase. ”

Dear Colleagues,

As the HR team member of Swastika, it gives me immense pleasure to be editing this edition of JOSH, themed "**Women of the Swastika.**"

The integration of women into the workforce has been a crucial driver of economic growth and development. But what does it truly mean to be a "Women of the Swastika" in today's world?

For me, it represents the inherent strength and resilience that women possess. We are the cornerstones of families, communities, and, yes, even workplaces.

One of the most significant dilemmas faced by working women is achieving a harmonious balance between their professional pursuits and personal responsibilities. The demands of a career often collide with familial obligations, leaving women grappling with the complexities of work-life integration. Flexible work arrangements, Flexible working hours and alternative schedules, have emerged as vital solutions provided by Swastika to accommodate the diverse needs of working mothers and caregivers. Isn't that the epitome of the swastika's enduring message?

In this edition of JOSH, we celebrate the extraordinary women of Swastika—those who break down barriers, redefine success, and inspire us every single day. We wanted to go beyond simply acknowledging our female leaders. We wanted them to talk about their experiences and share real-world stories about the people who helped support them and create the opportunities for them to pursue a career as a leader, and how they, as individuals, are helping to move the world a little closer towards the goal of gender equality. As JOSH is not just about celebrating past achievements. It's about empowering the future.

The Symbol Swastika represents good luck and fortune. As we step into the future, let us embrace the Swastika's true essence: the power of women, the power of potential, and the power to shape a brighter tomorrow. Together, let's create a workplace where every woman can flourish and wield the power of the swastika within.

This edition of JOSH is dedicated to all the extraordinary women of Swastika, past, present, and future. May your stories inspire us, your strength empower us, and your journeys guide us all.

Happy Reading !

# 3 MONEY HABITS TO RETIRE RICH

## A talk with **Shivani Nyati** VP-Wealth Product

---

Preparing for retirement might seem daunting, but with the right money habits, it can be more manageable than you think. Let's explore three straightforward practices that can help you build a strong financial future.

- 1 Establishing a Budget:** Think of your budget as a roadmap for your money. The 50/30/20 rule is an easy way to divide your income: spend 50% on needs like rent and groceries, 30% on wants like dining out or entertainment & travelling, and 20% on savings and investments. Regularly checking your budget helps you stay on course towards your financial goals.
- 2 Automating Investments:** Don't worry if you're not a financial expert—automating your investments makes saving for retirement easy. Simply set up automatic transfers from your paycheck or bank account to your retirement savings. This way, you save consistently without having to think about it, and your money has more time to grow thanks to compound interest.
- 3 Prioritizing Debt Reduction:** Debt can be a roadblock on your journey to retirement, but you can overcome it with a plan. Start by paying off debts with high-interest rates first. Use strategies like paying extra on one debt at a time (debt snowball) or focusing on the highest interest rate first (debt avalanche). Once you're debt-free, you'll have more money to put towards your savings and investments.

Retirement planning doesn't have to be complicated. By adopting these three simple money habits—establishing a budget, automating investments, and prioritizing debt reduction—you can take control of your financial future and work towards a secure retirement. Start small, stay consistent, and watch your savings grow over time!

“ Retirement planning doesn't have to be complicated. ”

## निकली हूँ एक सफ़र पर

निकली हूँ एक सफ़र पर ...  
सामान बाँध लिया है ।  
कुछ यादें रख ली हैं  
कुछ नींदें रख ली हैं  
"खुश रहो", "जुग जुग जियो"  
- इस तरह के सलामती के  
खत भी रख लिए हैं ।  
छोड़ दी हैं असमंजस की उलझनें  
बुन ली हैं विश्वास की बुनियादें ।  
निकली हूँ एक सफ़र पर ...

आप पूछते हैं कहाँ जा रही हूँ ...  
चली हूँ ढूँढने एक नया रास्ता  
चली हूँ बनाने अपना एक घर ...  
जहाँ होगी एक बगिया जिसमें होंगे  
मेरे मन के प्यारे फूल  
एक होगी रसोई  
जिसमें पकाऊँगी कुछ मीठे सपने ...।  
एक कोना  
होंगी जिसमें किताबें यादों की  
दुनिया मन की  
बसाने चली हूँ ...  
नयी सोच की सुबह और  
शामें होंगी सुकून भरी...  
ठहाके भरे दिन होंगे  
मुस्कराती दोपहरी,  
रात चैन-भरी प्याली प्रेम की ...  
किस्सों की चुस्कियां होंगी !

मन करे ...  
तो तुम भी आना कभी घर मेरे  
पर बाहर ही छोड़ आना  
उपानह पूर्वाग्रह के ...

ले आना साथ में  
प्रेरणाओं से भरी मंजूषा,  
तब हम साथ बैठेंगे  
स्मृतियों के गवाक्ष में  
मधुमय समय के  
मदिर चषक लिए  
अपने हाथ में...!!!

## बढ़ना है तुम्हें

वे वर्जनाएं,  
वे बंधन  
जिनमें थे बंद गलियारे  
और थीं अलंघ्य देहरियाँ,  
छोड़ कर उन्हें  
कदम बढ़ाना है तुम्हें  
वहाँ ...  
जहाँ मिलता है  
खुला आसमान  
जिनमें है  
आशाओं के  
चमकते सितारे  
और बहती है  
नए विचारों की हवाएँ  
जहाँ तुम्हें मिल सके  
आज़ादी की साँसें  
बदलाव के सोपानों पे  
कदम रखते हुए  
अपने संघर्षों में  
स्वयं को दृढ़ किये हुए  
बढ़ना है तुम्हें

मैं पत्थर नहीं हूँ तो टूटूंगी नहीं,  
मैं हवा नहीं हूँ तो थमूंगी भी नहीं,  
मैं आग नहीं जो बुझ जाऊँ  
या आवाज जो चुप हो जाऊँ ,  
न मैं पानी हूँ  
जो बह कर वापस न आऊँ,  
मैं तो एक सोच हूँ  
जो अब रुकेगी नहीं  
क्रयामत के बाद भी  
जो मिटेगी नहीं ,  
ये मुमकिन है कि कभी हार भी जाऊँ,  
पर कमजोर नहीं कि फिर उठ न पाऊँ,  
ये नहीं कि चोट से बिखरूंगी ही नहीं,  
पर फिर गड्डूंगी खुदको क्योंकि सिर्फ समेट  
लेना काफी नहीं,  
मैं लडूंगी हरदम कि  
कहीं मिट न जाऊँ ,  
क्योंकि बस इतना ही चाहूँ कि  
मैं मुक्कमल हो पाऊँ ।

प्रकृति का नियम है परिवर्तन, परिवर्तन जिसमें सृजन भी होता है और समापन भी होता है। हर समय कुछ ना कुछ चीजों का सृजन होता है और कुछ ना कुछ चीजों को अंतिम स्वरूप देकर के उन्हें नष्ट किया जा रहा होता है । एक बीज को जब बोया जाता है तो उसके सृजन की प्रक्रिया बहुत ही धीमी और शांत होती है, वहीं पर एक विशाल वृक्ष के समापन पर जब वह गिरता है जड़ से उखड़ कर तो उसमें बहुत ध्वनि होती है, और समय भी क्षणिक ही लगता है अर्थात् हम यह समझ सकते हैं सफलता के लिए कि हमें शांत रहकर अपने क्रियान्वयन को करके हम अपनी सफलता को प्राप्त कर सकते हैं हमेशा अपने लक्ष्य के लिए शांत रहकर कर्म आधारित होकर मेहनत करके हम सफल हो सकते हैं। परिवर्तन में जो हम सफलता चाहते हैं उसके लिए हमें अत्यधिक कोलाहल करने की आवश्यकता नहीं है केवल शांत और लक्ष्य को केंद्रित करके मेहनत करके हम सफलता को प्राप्त कर सकते हैं।
