INDEPENDENT AUDITOR'S REPORT

To
The Members
Swastika Insurance Broking Services Limited
Report on the Audit of Financial Statements

OPINION

We have audited the accompanying financial statements of **Swastika Insurance Broking Services Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, Statement of Changes in Equity and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

BASIS FOR OPINION

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, cash flows and Statement of Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company

and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account;

(d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind As) prescribed under section 133 of the Act read with Rule 7 of the Companies (Account) Rules, 2014.

(e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure-B"; and

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

- a. The Company does not have any pending litigations which would impact its financial position;
- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to the Independent Auditor's Report of even date on the Financial Statements of Swastika Insurance Broking Services Limited for the year ended March 31, 2021

(Referred in paragraph 1 under the heading "Report on other Legal and Regulatory Requirement" of our report of even date to the members of Swastika Insurance Broking Services Limited for the year ended 31st March, 2021)

- (I) As explained to us, the Company does not possess any fixed assets. Consequently the provisions stated in paragraph 3(i)(a), 3(i)(b) and 3(i)(c) of the order are not applicable and hence, not commented upon.
- (II) As explained to us, the business of Company is providing Insurance Broking Services; hence the Company does not possess any inventory. Consequently the provisions stated in paragraph 3(ii) of the Order are not applicable and hence, not commented upon.
- (III) As per the information and explanation given to us, the Company has not granted secured/unsecured loans to companies, firms, LLP or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- (IV) Based on information and explanation given to us, the provisions of Section 185 of the Act are not applicable to the Company. Further, the Company has not made/given any investments or loans or guarantee or security provided to the parties covered under section 186 of the Act, hence the provisions of section 186 of the Act are not applicable to the Company.
- (V) In our opinion and as per the information and explanation given to us, the Company has not accepted any deposits from the public within the meaning of Section 73 to 76 of the Act and rules framed there under and hence, not commented upon.
- (VI) As informed to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013.
- (VII) (a) According to the information and explanation given to us, and the records of the company examined by us, in our opinion, the Company is generally regular in depositing undisputed dues relating to Provident Fund, Employees' State Insurance, Income Tax, Duties of Customs, Duties of Excise, Value Added Tax, Goods and Service Tax, Cess and other material statutory dues as applicable to it with appropriate authorities. There are no undisputed statutory dues payable which are outstanding as at March 31st, 2021 for a period of more than 6 months from the date they became payable.
- (b) According to the information given to us, and the records of the company examined by us, there are no dues of Income Tax, Sales Tax, Custom duty, Excise duty, Value added tax, Goods and Service Tax, Cess and Professional tax which have not been deposited with appropriate authorities on account of any dispute.
- (VIII) In our opinion and according to the information and explanation given to us, the Company has not taken any loan or borrowing from financial institution(s), bank(s), government(s) or nor has it issued any debentures. Therefore, paragraph 3(viii) of the Order is not applicable

- (IX) According to information and explanation given to us, the company has not raised money by way of Initial/Further Public Offer and no term loan has been obtained by the company during the year.
- (X) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (XI) According to the information and explanation given to us, and based on documents provided to us, the Company has not paid any managerial remuneration during the financial year, hence the provision of section 197 read with schedule V to the Act are not applicable to the Company. Accordingly, paragraph 3(xi) of the Order is not applicable of the Company and hence, not commented upon.
- (XII) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it; the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- (XIII) According to the information and explanation given to us, the Company has not entered into any transaction with the related parties. Therefore, paragraph 3(xiii) of the Order is not applicable to the Company and hence, not commented upon .
- (XIV) According to the information and explanation given to us, the Company has not made any preferential allotment/private placement of shares or fully or partly convertible debenture during the year.
- (XV) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with Directors or Persons connected with them.
- (XVI) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditor's Report of even date on the of Swastika Insurance Broking Services Limited for the year ended March 31, 2021

Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Swastika Insurance Broking Services Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements

Note- 1: Company Overview, Basis of preparation and Significant Accounting Policies

(A) Company Overview

"Swastika Insurance Broking Services Limited" ("the Company") formerly known as Swastika Insurance Services Limited was incorporated in 2009, as a limited company under the provisions of the Companies Act, 1956. The Company is domiciled in India having Registered Office at 48, Jaora Compound, MYH Road Indore, Madhya Pradesh, 452001.

The Company has Insurance Broking and Related Activities as a main object. The company is the wholly owned subsidiary of "Swastika Investmart Limited", which is a leading name in Stock Broking business and Merchant Banking.

(B) Basis of Preparation of Financial Statements

The Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

(i) Basis of Preparation:

a) Statement of Compliance :

These Financial Statements comprising of Balance Sheet as at March 31, 2021, Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and Statement of Cash Flows for the year ended March 31, 2021 have been prepared in accordance with Ind AS as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and companies (Indian Accounting Standards) Amendment Rules, 2016.

These Financial Statements have been approved for issue by the Company's Board of Directors at their meeting held on May 14, 2021. These Financial Statements are presented in Indian Rupees (INR), which is also the functional and presentation currency.

b) Historical cost convention

The Company follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. The Financial Statements are prepared under the historical cost convention, except in case of significant uncertainties and except for the following:

- Certain Financial Assets and Liabilities that are measured at fair value;

c) Significant Accounting Policies

(i) Fair Value Measurement

The Company measures financial instruments at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an Asset or paid to transfer a Liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the Asset or transfer the Liability takes place either:

- In the principal market for the Asset or Liability., or

- In the absence of a principal market, in the most advantageous market for the Asset or Liability..

The principal or the most advantageous market must be accessible by the Company.

The fair value of an Asset or a Liability is measured using the assumptions that market participants would use when pricing the Asset or Liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial Asset takes into account a market participant's ability to generate economic benefits by using the Asset in its highest and best use or by selling it to another market participant that would use the Asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All Assets and Liabilities for which fair value is measured or disclosed in the Financial Statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active market for identical Assets or liabilities.
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement.

For Assets and Liabilities that are recognised in the Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of Assets and Liabilities on the basis of the nature, characteristics and risks of the Asset or Liability, and the level of the fair value hierarchy as explained above.

(ii) Revenue Recognition

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers, to determine when to recognize revenue and at what amount. Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur. Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised service (i.e. an Asset) to a customer. An Asset is transferred when (or as) the customer obtains control of that Asset. When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

Income from sales of services are recognized on the date of the relevant transactions.

(iii) Property, Plant and Equipment (PPE)

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Depreciation methods, estimated useful lives & residual value. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful life prescribed under Schedule II to the Companies Act, 2013. Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized in the statement of profit or loss.

(iv) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share, is the net profit for the period. The weighted average number equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(v) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for the jurisdiction adjusted by changes in deferred tax Assets and Liabilities attributable to temporary differences, to unused tax losses and unabsorbed depreciation.

Current and deferred tax is recognized in the Statement of Profit and Loss except to the extent it relates to items recognized directly in equity or other comprehensive income, in which case it is recognized in equity or other comprehensive income.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

 Shastika Insurance Broking Services Limited

Deferred tax is provided using the Liability Method, on temporary differences arising between the tax bases of Assets and Liabilities and their carrying amounts in the Financial Statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax Asset is realized or the deferred income tax Liability is settled. The carrying amount of deferred tax Assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the Asset to be recovered. Deferred tax Assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax Assets and Liabilities are offset when there is a legally enforceable right to offset current tax Assets and Liabilities and when the deferred tax balances relate to the same taxation authority.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

(vi) Provisions, Contingent liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate Asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent Liability is disclosed in the case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities and contingent Assets are reviewed at each Balance Sheet date.

(vii) Financial Instruments

A Financial Instrument is any contract that gives rise to a financial Asset of one entity and a financial Liability or equity instrument of another entity.

Financial Assets

Initial Recognition and Measurement

At initial recognition, all Financial Assets are measured at fair value. Such Financial Assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

(a) Financial Assets at Amortized Cost

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These Financial Assets are intended to be held until maturity. Therefore, they are subsequently measured at amortized cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of the financial Asset. The EIR amortization is included as interest income in the profit or loss. The losses arising from impairment are recognized in the profit or loss.

(b) Financial Assets at Fair value through Other Comprehensive Income

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in Other Comprehensive Income (OCI). Interest income calculated using the Effective Interest rate (EIR) method, impairment gain or loss and foreign exchange gain or loss, if any, are recognized in the Statement of Profit and Loss. On de-recognition of the Asset, cumulative gain or loss previously recognized in Other Comprehensive Income is reclassified from the OCI to Statement of Profit and Loss.

(c) Financial Assets at Fair value through Profit or Loss

At the date of initial recognition, Financial Assets are held for trading, or which are measured neither at Amortized Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in the Statement of Profit and Loss.

De-recognition of Financial Asset

Financial Asset is primarily derecognized when:

- (i) The right to receive cash flows from Asset has expired, or
- (ii) The Company has transferred its right to receive cash flows from the Asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a " pass-through" arrangement and either:
 - a) The Company has transferred substantially all the risks and rewards of the Asset, or
 - b) The Company has neither transferred nor retained substantially all the risks and rewards of the Asset, but has transferred control of the Asset.

When the Company has transferred its right to receive cash flows from an Asset or has entered into a pass through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the Asset, nor transferred control of the Asset, the Company continues to recognize the transferred Asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated Liability. The transferred Asset and the associated Liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial Liabilities

Initial Recognition and Measurement

All Financial Liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's Financial Liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

Subsequent Measurement

Financial Liabilities are classified as either Financial Liabilities at FVTPL or 'other Financial Liabilities':

(a) Financial Liabilities at FVTPL:

Financial Liabilities are classified as at FVTPL when the financial Liability is held for trading or are designated upon initial recognition as FVTPL. Financial Liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

(b) Other Financial Liabilities:

Other Financial Liabilities (including borrowings and trade and other payables) are subsequently measured at amortized cost using the Effective Interest Method.

The Effective Interest Method is a method of calculating the amortized cost of a financial Liability and of allocating interest expense over the relevant period. The Effective Interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the Effective Interest rate, transaction costs and other premiums or discounts) through the expected life of the financial Liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of Financial Liability

A Financial Liability is derecognized when the obligation under the Liability is discharged or cancelled or expires. The difference between the carrying amount of a financial Liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash Assets transferred or liabilities assumed, is recognized in profit or loss as other income or finance costs.

(viii) Cash Flow Statement

A) Cash and Cash Equivalent

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

B) Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the relevant Accounting

(ix) Significant Accounting Judgments, Estimates and Assumptions

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgments which have significant effect on the amounts recognized in the financial statement:

a. Income taxes

Judgment of the Management is required for the calculation of provision for income taxes and deferred tax Assets and Liabilities. The company reviews at each Balance Sheet date the carrying amount of deferred tax Assets and Liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the Financial Statements.

b. Contingencies

Judgment of the Management is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the company as it is not possible to predict the outcome of pending matters with accuracy.

c. Provision

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d. Allowance for uncollected accounts receivable and advances

Trade receivables are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not collectible. Impairment is made on ECL, which are the present value of the cash shortfall over the expected life of the Financial Assets.

The image shows a handwritten signature in blue ink, which appears to be 'Surya'. To the right of the signature are two circular blue ink stamps. The first stamp is for 'Sarasika Insurance Broking Services Limited' and features a star in the center. The second stamp is for 'N. PAIRAN & CO. CHARTERED ACCOUNTANTS', with 'INDORE' and 'M. No. 076150' written inside the circle.

25. IMPACT OF COVID -19

Spread of COVID-19 has effected the economic activity across the Globe including India. This impact on the business will depend upon future developments that cannot be predicted reliably at this stage. However based on the preliminary estimates the Company does not anticipate any major challenges in meeting the financial obligations, on the long-term basis. Further, the company does not carry any risk in the recoverability and carrying values of its assets. The company does not anticipate any additional liability as at the Balance Sheet date. However the impact assessment of COVID 19 is a continuing process given its nature and duration. The Company will continue to monitor for any material changes to future economic conditions.

26. The previous year figures have been regrouped and reclassified wherever considered necessary to conform to this year's classifications.
